REPORTS AND RESOLUTIONS.

Sunday School Report.

*To the Bishop and Members of the Texas Annual Conference:*

DEAR BRETHREN:—We, your Sunday-school Board, beg leave to submit our report:

The great importance of Sunday-school work, we believe, no one will call in question.

The work taught in the Sunday-school is not seed sown in stony ground or where the weeds will grow up to choke it, but it is seed sown in young and tender hearts, where it will spring up and bring forth fruit, some sixty and some a hundred fold.

This work can not be neglected by any church or pastor without irreparable loss. The tramp of an advancing army is distinctly heard—it is the army of children; they are constantly coming to the front, and when we fall they will take our places. Considering these things, and the great necessity of providing religious instruction for this army, we believe the work of the Sunday-school can not be too strongly presented.

The church of the future is the one that provides for the children of to-day. There are out-cast children as well as adults, and many children receive all their early religious instructions in the Sunday-school. We beg to remind our brethren of these things and urge upon them the necessity of doing all in their power to advance the Sunday-school cause.

During the latter part of April there was held in the town of Hempstead, under the auspices of your Board, a Conference Sunday-school Convention in accordance with the recommendations of the Discipline; and although we did not receive the co-operation from some of our brethren in this effort that we had reason to expect, the convention was nevertheless a success, and much good was accomplished for the Sunday-school cause within the bounds of our Conference, and we recommend that another Conference Sunday-school Convention be held at such time and place as your board may designate.

We would call the attention of the Conference to the surplus funds

lying idle in the treasury, and urge upon the brethren, and especially the Presiding Elders, to assist us to send this money on its mission.

Your Board deem certain changes in our discipline advisable, and we recommend the adoption of the following memorial to the General Conference:

#### MEMORIAL.

1. That a Parent Sunday-school Board be created, to take the place of the General Conference Sunday-school Committee.

2. That the Parent Sunday-school Board be directed to prepare a course of reading and study for Sunday-school teachers and older Sunday-school scholars.

3. That paragraph No. 245, page 142, of the discipline be so amended as to allow each annual conference, on the recommendation of the Conference Sunday-school Board, to turn over to the Parent Sunday-school Board any money collected on Children's Day that cannot be used to advantage in the bounds of the said Conference; such money to be used by the Parent Board for the publication of Sunday-school literature for our foreign work.

H. M. SEARS, Chairman.

CHAS. A. HOOPER, Secretary.

### Report on Bequest of W. S. Bolding

The Joint Board of Finance to whom was referred the matter relating to the bequest of W. S. Bolding, late of Walker county, Texas, beg leave to report:

WHEREAS, In 1857, Wm. S. Bolding, of Walker county, Texas, made a will providing that five thousand dollars be set apart out of his estate for the support of the superannuated preachers, their widows and orphans of the Texas Annual Conference, the interest annually to be applied for that purpose, which bequest was subject to the life estate of his wife, Mrs. Cynthe Bolding; and

WHEREAS, Said Cynthe Bolding afterward married Jas. G. Johnson, and made will disposing of her property, and the property of the estate of W. S. Bolding is now held by her legatees; and

WHEREAS, Both the said Wm. S. Bolding and Cynthe Bolding are dead, and the property of said estate is held in possession by the legatees of said Cynthe Bolding, and it is important that the matter be adjusted without delay; therefore be it

*Resolved*, That W. W. Adickes, of Walker county, Texas, be and is hereby appointed by the Conference to take said business in charge for adjustment and settlement, and that he be and is hereby authorized and empowered to make settlement with executor of said adverse claimants, and to employ if necessary such legal advice and counsel as he may deem necessary for said purpose, and to execute all necessary receipts and releases, and all other acts necessary to be done in the matter for the accomplishment of said ends, and make his report to the next session of the Texas Annual Conference.

Respectfully submitted,

### Orphans' Home.

We, your committee appointed by the Conference to take into consideration the feasibility of an orphans' home, beg leave to report that we have considered the proposition coming to us from the Northwest Texas Conference, and have heard with pleasure the statements made by the representative of said Conference, Rev. J. R. Nelson.

We have considered also a proposition from the trustees of the Soule College, tendering to this Conference the old Soule College building and grounds for a Conference Orphans' Home, for which offer your committee feels grateful, and for which offer we tender our heartfelt thanks. But after due consideration your committee is of the opinion that it will not be wise for this Conference to undertake the burden of establishing and maintaining an orphan's home by itself, but feeling the necessity for such an institution, we do heartily recommend:

First. The acceptance of the proposition coming to us from the Northwest Texas Conference, to accept full interest in all that has been accomplished, and we recommend that this Conference co-operate with the Northwest Texas and sister Conferences in building and sustaining the proposed institution.

Second. That this Conference appoint H. M. Sears as commissioner for this Conference to co-operate with like commissioners from the other Conferences in the State.

Third. That we invite the agent and general manager, Rev. W. H. Vaughan to visit our territory to prosecute his work as he in his judgment may see fit, and that we pledge him our hearty co-operation. All of which is respectfully submitted,

H. C. TRAMMELL,  
J. B. COCHRAN,  
W. S. CONOLY,  
J. M. ADAMS,

### Report of Colportage Board.

In accordance with the recommendations of this board, the Texas Conference, at its last session, confirmed and continued its contract with our depository at Fort Worth, but on the first day of January last H. N. Connor & Co., the other party to that contract, were forced to discontinue the business for want of funds, and this important enter-

prise would have fallen to the ground, but for the prompt and timely action of our Colporter, Rev. I. Z. T. Morris. He, himself, assumed the contract, and has conducted the business with gratifying success. Notwithstanding the delay in filling orders for a time, and the subsequent confinement of office duties so incompatible with the canvassing work of a Colporter, the business grew steadily and healthily until August 1st, when, of course, it experienced the financial paralysis common to all lines of commerce. Your committee are informed that, in proportion to the size of our territory, the largest amount of business has been done within the bounds of this Conference, the total sales among our people aggregating the sum of \$797. The marked success which has attended Brother Morris' labors, vindicates his wisdom in assuming the double duty of Colporter and Business Manager; and as he has on hand about three thousand dollars worth of books, we recommend that he be continued in this dual relation to this Conference.

Your Board considers this colportage work a very important one. As our people grow in wealth and intellectual culture, libraries are being formed, if for no higher use, as necessary furniture of the home. Here they are to remain for generations to feed the thought and mould the character of the family. If these books are dry and uninteresting, they will blast all literary taste; if they charm by appeals to our sensuous nature, they are destined to corrupt the stream of many young lives at the fountain; if they are attractive, pure, wholesome, elevating, they will reproduce and perpetuate the influence of the men who write, and the men who distribute them. The pastor, upon whom everything else rests, must bear this burden also. It is especially necessary in centers of population, where demoralizing literature is industriously advertised by the book-stores, that we should commend our own publications from the pulpit, around the fireside, and through canvassing committees of the Epworth League. We think that this Conference should take her stand by the side of the other Texas conferences by the adoption of the following:

*Resolved*, That in the purchase of books, and in subscribing for Sunday-school and other church periodicals, we will, as far as possible, send our orders through our own depository.

C. R. LAMAR, President.

JOS. B. SEARS, Secretary.

### Report on Education.

#### SOUTHWESTERN UNIVERSITY.

From the facts before your Board, we conclude that the University is slowly but steadily growing into the proportions and efficiency so pro-

foundly desired by those who struggled for its success. From the reports of the faculty, we learn that, notwithstanding the great financial stringency, the enrollment of the present session is the largest in the history of the institution, showing an increase in all departments, and an advance of fifty over a corresponding date of last session.

The health of the students thus far has been remarkably good, and their general bearing, deportment and devotion to study, unequaled by any former year. By vote of a large majority, the seat of the University has been freed from the blighting presence of the saloon, and the school and community have entered upon a new era of prosperity, promising to present the most favorable environments for the rearing and education of young people anywhere to be found.

The faculty are well chosen for probity of character, and are eminently fitted for their several chairs and departments. The new professors are meeting the high expectations created by their flattering testimonials of character and scholarship.

The graduating class is expected to number thirty members at the next commencement. Of this class, eight are young preachers—seven Methodists and one Baptist; and of the present enrollment, fifty are preparing for the ministry.

The Ladies Annex is happily accomplishing its mission in providing facilities for the higher education of young ladies under most favorable religious auspices. The administration of Dr. Allen is most satisfactory, and young ladies could not be placed in safer hands than under his care.

The fitting school is rendering efficient aid to the University, in giving thorough training for the higher classes. The Giddings Hall, under the management of Prof. Cody, is giving board at cost to about sixty-five worthy young men, most of whom are preachers or preachers' sons.

We note with great delight the deep and wide spread work of grace that visited the University during the early part of this year, gathering hundreds of souls to Christ, and leaving over eighty-five per cent. of the student body Christians. We also note with pleasure the existence of an Epworth League, among the students, numbering two hundred and fifty members.

We recommend that the request of the Trustees, that their members hold office at the will of the Conference, be granted, and close our report on this institution by reiterating the great and pressing want of adequate buildings, and of increased library and laboratory facilities.

#### CHAPPELL HILL FEMALE COLLEGE.

From the report of the trustees of this, our Conference school, we

learn that though the attendance has not been large, yet the work of the school has been thorough and satisfactory.

With its accomplished and energetic President, and an efficient corps of teachers, this College affords educational facilities for our girls equal to the best.

Some improvements have been made to the College property, and conveniences and comforts provided, which will add greatly to the pleasure and welfare of the inmates of the institution. About \$400 have been expended for these improvements, while \$784.80 yet remain to be paid on the debt contracted three years ago, in the erection of needed buildings.

We earnestly commend this Christian school to the patronage of our people, its location being healthy, and easy of access.

We recommend that the educational assessment be the same as last year (\$1500), and that it be divided as before, viz: \$900 to the University, and \$600 to Chappell Hill Female College.

The educational collection for this year is \$993. Paid for printing minutes, \$15; traveling expenses of Joint Board of Publication, \$7; balance divided as follows: To Southwestern University, \$582.60; to Chappell Hill Female College, \$388.40. Southwestern University has 20 teachers, 426 pupils, and \$1150 endowment. Chappell Hill Female College has 7 teachers, 66 pupils, and no endowment.

A. E. GOODWYN, President.

## Report of Board of Missions.

The Board of Missions, in its annual session, has had under review the various missionary fields within the bounds of our Conference, and is exceedingly gratified to note decided progress and prosperity, notwithstanding the severe financial pressure that has existed during almost the entire year. A large degree of self-denial and privation has characterized the experience of many of our brethren. They have borne it manfully and without murmuring, and deserve our sympathy and prayers and love.

The board, after prayerful consideration of all claims presented, made the following appropriations for the ensuing year :

#### Report on Temperance.

Your Committee on the cause of Temperance submit the following report:

We rejoice in the fact that we still occupy our position as, emphatically, a prohibition church. We have implicit confidence in the power of our church to do great and lasting good in the cause of temperance.

We are glad to know that the sentiment of the people of this great State is getting in line in opposition to the most crying evil of the century, and that many cities, towns and communities are deciding at the ballot-box that intoxicating liquors shall not be sold within their borders.

The open saloon, open all day, open frequently all night, and often open on Sunday, is still a serious problem, but one which wise educational methods is slowly, but surely, solving. We believe that the doom of the saloon is sealed, and trust that at no distant day not one will be left to disgrace the name of Texas. We recommend that the members of our various churches, both by precept and example, instill in the minds and hearts of their children the important truth that their only safety lies in never touching the unclean thing.

We further recommend that our preachers and people use all proper means, both in private and in public, to drive this curse from our land.

E. D. MOUZON, Chairman.

J. D. CAMPBELL, Secretary.

### Report on the Bible Cause.

We are sorry not to be able to make a report equal to what might be expected from the Texas Conference on so important a cause.

The Word of God is the good seed of life, and from it alone may we hope to reap a harvest of souls for heaven. Only 19 charges have reported anything collected for this good cause, leaving 62 that have reported nothing.

We are not willing to believe any guilty of wanton neglect, but we do believe the interest in the distribution of Bibles to be circumscribed by localities. We fear zeal is often not according to knowledge, because it does not extend beyond the limited bounds of our respective charges. We are rejoiced to learn from the reports of the society that sixteen thousand three hundred and thirty-nine copies have been distributed in Texas alone, which is only eighty-six less than last year.

The society stands in great need of funds to carry on its work. We recommend the following:

*Resolved*, That we will preach a special sermon on the Bible, and direct the attention of our people to the character and aims of the American Bible Society, and take a collection therefor.

*Resolved*, That we will prepare our congregations, as far as we can, for receiving the representatives of the Bible Society.

J. M. WESSON, Chairman,  
For Committee.

### Epworth League.

The Epworth League has ceased to be an experiment. Its utility has been demonstrated, and it fills exactly a long felt want. Its conception was not only happy and timely, but also providential. It is a four-fold blessing, in that it comes as a heaven sent benediction to its

members, gives forth sweet ministries to the poor, furnishes a strong arm to the church, and glorifies God. Its sphere of usefulness is also fourfold, in that it serves the material, the social, the intellectual and the spiritual wants of the people. It provides innocent amusement, supplies wholesome instruction, purifies social intercourse, cultivates benevolence, develops latent talents and builds up the spiritual life. Under its fostering influence, faith is intensified; the flowers of hope, love and joy, bloom in the human heart; and character is adorned with the jeweled virtues of our holy religion. It is already an indispensable institution of the church. Its growth is phenomenal, its prosperity a surprise to its founders, and its importance just beginning to be realized.

We rejoice to see that it is being rapidly adopted in our Conference, and the day is at hand when it will be as common to have an Epworth League as it is to have a Sunday school or a prayer meeting.

We urge every pastor to examine into the merits of this department of church work, and give it his hearty support.

We cordially commend the *Epworth Methodist*, and bespeak for it a wide circulation.

E. H. HARMAN,  
Chairman,

#### Preachers' Aid Board.

At a regular meeting of the Preachers' Aid Board held the 4th of December, 1893, the Board was reorganized by electing Rev. A. E. Goodwyn, President.

The board is now composed of the following brethren: A. E. Goodwyn, C. M. Keith G. C. Rankin, D. H. Hotchkiss, B. D. Orgain, J. J. Morgan and Tom Murrah.

The treasurer has \$1915 in promissory notes given by ministers and other members of the M. E. Church, South, which bear 8 per cent. interest. The interest on a few hundred dollars, has not been paid for several years. Also one (1) Jeff Davis Co. bond, \$825.54, bearing interest at the rate of 8 per cent. per annum. Also one vendor's lien note for \$162.70, bearing interest at 8 per cent. And cash, subject to loan \$52.76. Total \$2955.

TOM MURRAH,  
Secretary and Treasurer.

#### Report on District Conference Records.

The committee appointed to examine the District Conference Records, beg leave to make the following report:

##### CHAPPELL HILL DISTRICT.

In this book we find that the roll of members is on the last page of

the minutes, instead of being on the first page of the record. The penmanship is good, legible and uniform, and, in the main, the book is well kept.

AUSTIN DISTRICT.

The roll of members is in the proper place. The penmanship is generally good, but in some places it is lacking in neatness. The report of the Committee on Epworth League is not in the book. It was lost by the Secretary or not handed to him by the committee. We notice that the statistics of the Sunday-school Report are written on the margin instead of being in the body of the report as they should be. There are some erasures in the book, but otherwise the record is well kept.

HOUSTON DISTRICT.

The roll is in the proper place. The book is well kept; penmanship neat and uniform. We can make no criticism on this book, because it is not open to criticism.

HUNTSVILLE DISTRICT.

The record contains no official roll of members. The minutes state at the close, that the Conference adjourned with singing the doxology and benediction. We believe that this is the first instance on record where the benediction was ever sung by a Conference. The minutes are not officially signed by the President or Secretary of the Conference.

CALVERT DISTRICT.

We are glad to say that this book is remarkably well kept and we have no adverse criticism to make upon it.

CHAS. A. HOOPER, Chairman.

W. W. HORNER, Secretary.

**Report on Paine and Lane Institutes.**

*To the Bishop and Members of the Texas Conference:*

BRETHREN:—Your committee submits the following report:

Believing the continuation of the peaceful relations existing between the races depend largely upon the intellectual and moral culture of the colored people; believing the people of the South to be thoroughly acquainted and in position to know their needs, they should give hearty support to the best method of lifting them to the highest plane of life.

Your committee have been informed that the Paine and Lane Institutes are endeavoring to accomplish this noble work of intellectual and moral development of the colored people under very adverse circumstances, and are hampered because they have not the necessary buildings.

Your committee find that the sum of \$300 was assessed against the districts last year as follows:

|                             |          |      |          |
|-----------------------------|----------|------|----------|
| Houston District.....       | \$ 67 00 | paid | \$ 60 00 |
| Austin District.....        | 67 00    | paid | 28 00    |
| Chappell Hill District..... | 60 00    | paid | 31 55    |
| Calvert District.....       | 60 00    | paid | 39 60    |
| Huntsville District....     | 45 00    | paid | 23 50    |
|                             |          |      |          |
|                             | \$299 00 |      | \$182 45 |

Your committee recommend that the sum of \$250.00 be assessed against the several Presiding Elders' Districts for the coming year.

Respectfully submitted,

G. H. COLLINS, Chairman.

### Memorial to the General Conference..

WHEREAS, We believe that in the providence of God the Methodist Church has forged its way to the front rank of all the Evangelical churches in America; and

WHEREAS, We believe that Methodism has achieved this great prominence on account of the soundness of our doctrines and the Scripturalness and efficiency of our church polity; and

WHEREAS, In order that our beloved church may be better known, and its teachings more fully understood, it is very necessary that all Methodist preachers be well qualified for their work; and

WHEREAS, It is utterly impossible for any preacher to set forth the distinctive doctrines of our church without a knowledge of those doctrines as taught by our standard theologians, Wesley, Watson, Ralston, Fletcher, Summers, etc.; and

WHEREAS, As the law now stands in our discipline, preachers may be ordained in other churches, and then apply to us for recognition of their orders and be received into the traveling connection without a sufficient knowledge of our doctrines; therefore be it

*Resolved*, That the Texas Conference now in session, memorialize the next General Conference to be held in Memphis next May, to so change the law in our discipline that has reference to the reception and recognition of ministers in orders from other churches, so that it shall read somewhat as follows: Provided further, that all ministers, except those who come to us from the M. E. church (North) be required to pass through the course of study prescribed by our Bishops for our undergraduates, and that their examinations be approved by the various committees.

SETH WARD,  
C. R. LAMAR.

### Resolution of Thanks to the First National Bank.

The Joint Board of Finance offered the following resolution, which was adopted unanimously:

*Resolved,* That the thanks of the Conference be tendered to the officers of the First National Bank of Navasota for their courtesy and liberality in handling the funds of the board, and providing drafts and exchange free of any charge whatever, thereby saving the superannuates, widows and orphans from the expenditure of a single cent in receiving their money.

The following resolutions were presented and adopted:

1. That we hereby express our thanks to the good people of Navasota for the hospitable entertainment given to the Conference.

MEMOIR.

---

---

JAS. M. TURNER.

---

Conference met in memorial session Sunday night, and was opened with religious service conducted by Rev. James Campbell.

O. T. Hotchkiss read the memoir of Rev. J. M. Turner, as follows:

James M. Turner was born of Methodist parents in Halifax county, N. C., in 1809, and died in Houston, Texas, September 9, 1893.

When he was 22 years of age, he left his native State and went to Mississippi, and located in Lawrence county, on the Pearl river, above Monticello. For some years he gave his attention to business-enterprises, but seeing he was not going to succeed honorably, he turned over all his effects for the benefit of his creditors, and started anew with a strong determination to do right in a business sense, and be honest with his fellow man. Several years were devoted to farming. He was so popular with his fellow countrymen that he filled several offices of the county, and served a term in the legislature.

In 1835 he was married to Miss Harris, and this union was blessed with several children, two of whom, a son and widowed daughter, now live in Houston. In 1850 the hand of sore affliction lay long and heavily upon him. During this illness Rev. David Wiggins, P. E., and several other ministers, visited and prayed with him, and Christ had mercy upon him as he did upon the paralytic, healing both soul and body. He went immediately to work in the service of Christ, exercising his gifts in the prayer and class meetings, calling sinners to offered mercy, and telling penitents of Christ's willingness to save. In October he was licensed to preach, and was admitted on trial at the next session of the Mississippi Conference, and was sent to the Pearl River circuit. His next work was White Sand circuit; his third and fourth years were fruitful in hundreds of conversions and accessions to the church. He served several other charges before he came to Texas. His first work in the Texas Conference was Plantersville and Anderson. While in charge of Matagorda circuit, on a still day, during the hour of divine services, the house fell upon him and rendered him inefficient as a minister. This occurred in 1873, since which time he has been a superannuate. The last ten or twelve years of his life were spent in Houston; most of this time he has been quite feeble, unable to preach, and could do but little active service. He was patient and submissive.

He delighted in recounting the wonderful victories gained in Jesus' name, and the many blessings enjoyed. During his last sickness he was visited by the preachers of Houston, and was greatly comforted when we prayed with him. The promises of God sustained him to the last. He "died in the faith." "Mark the perfect man; behold the upright, for the end of that man is peace."

### REV. ALPHEUS MIZELL.

E. D. Mouzon read the memoir of Alpheus Mizell, as follows:

Alpheus Mizell was born June 25, 1825, in Stewart county, Tennessee. He was converted at the early age of thirteen years, and joined the Methodist church. He entered the ministry in 1844. August 7, 1849, he was united in marriage to Mary A. Atkins. Of this union there were nine children, six of whom, with their mother, are still living.

One, who was his life-long friend, says of him: "He was a deep, tender, sympathetic preacher of the gospel of God's Son; as pure-minded, sweet-spirited, and gentle a Christian minister as I have ever known."

Of the forty-eight years of his ministry, thirty-six were given to the Tennessee Conference. He went west, when his health became delicate, and trying the climate of Missouri, Texas and Arkansas, after a few years service, he finally became a superannuate of the Texas Conference. Though a superannuate and feeble, he was a diligent and faithful man. As the years were going by he was ripening for the garner of God. When no longer able to help himself, he struggled to be of use to others.

His great desire, that he might die at home, was not granted. He went to Mammoth Springs on business, and there he was taken very ill with la grippe. Two of his children reached him in time to minister to him only a short while before he passed gently away. One of his daughters, Mrs. Mary B. Murrell, writes these touching words:

"My brother and myself were by him continually until the end came. I wish I could tell you, face to face, what a blessed privilege I count this last service to the purest, most guileless man I ever knew. He never murmured once. His last hours were like his life, cheerful, peaceful, and full of divine blessings. The few words that he spoke were full of hope in regard to the future. He has left us a rich heritage, and an example which, if followed, will keep us near the Savior's side."

He wrought faithfully for God, and now that he rests from his labors, his works do follow him.

---

Following the reading of these memoirs, the Conference joined in sacramental service, thus fittingly closing the service held in honor of our fallen comrades.
